Job description:

At Productsup, we're passionate about Product Data and providing Digital Marketers the leading solution to save time, increase visibility and be in control.

We're looking for an ambitious, tech-loving people's person to join our team as Account Manager in the heart of Berlin.

Your responsibilities:

- Your primary function is to build and nurture new and existing client accounts
- Support the planning and successful integration of clients onto the platform
- Support the optimization of key account projects, including weekly scheduled client calls
- You will gain direct insight into the organization and its conduct of business processes
- You'll report directly to the Director Client Success & Integrations US

What you bring to the team:

- 2+ years professional experience in Account Management or Campaign Management for an Ad-tech company or Online Marketing Agency
- Solid understanding of the performance marketing & e-commerce industry
- Experience in search- and performance display advertising
- Ability to "translate" complex technological processes into meaningful solutions that address business needs
- Solid business network and references
- Excellent time-management and ability to prioritize important tasks
- Excellent communication skills
- Self-motivated and positive attitude
- A strong structural and client-oriented thinking pattern
- You get things done & are not afraid to take initiative

What we offer you:

- Fair and attractive salary
- A challenging job in a rapidly growing company
- Growth opportunities
- High level of personal responsibility
- Open communication, flat hierarchy
- A highly motivated, international and dynamic team
- A full/time job with flexible working hours
- Modern workplace in San Francisco, CA or in Berlin, Germany with relocation opportunity
