### Job description:

At Productsup, we're passionate about Product Data and providing Digital Marketers the leading solution to save time, increase visibility and be in control. We're looking for an ambitious, tech-loving person to join our team as a Student Employee for Product Management in the heart of Berlin.

Your primary function is to work closely with the Product Management team and contribute in

- Quality assurance and testing
- Conducting data-driven analyses
- Product maintenance and content creation
- Planning and conceptualizing projects for product growth

### What you bring to the team:

- Experience in front-end design and documentation
- A detail-oriented eye for excellence
- Proficiency in SQL - HTML, CSS, JS (preferred)
- A strong structural and project-oriented thinking pattern
- Background in Information Systems or Business Informatics (preferred)
- Advanced understanding of IT systems and their infrastructure
- Ability to understand complex technological processes
- Solid understanding of the performance marketing & e-commerce industries
- Excellent time-management and ability to prioritize important tasks
- Self-motivated, positive attitude and an autonomous work-ethic
- Strong team player
- Excellent communication as well as literary skills
- Native level German (preferred) and fluent in English (spoken + written)

### What we offer you:

- Flexible hours complying to academic studies with a fair and attractive salary
- Modern workplace in the heart of Berlin
- High level of personal responsibility
- Open communication with a flat hierarchy
- A highly motivated, international and dynamic team
- Regular team events
- Drinks, fresh fruit & snacks daily
